Subject: Bayou Corne Schedule
Date: 09/14/2012 10:18 AM

Greg,

Wanted to let you know if you haven't already heard through other channels that the air monitoring has been placed on hold while they cement, log, and bring in a new rig. Resuming on Monday or Tuesday, barring any hiccups in the operations. LDEQ Martin will notify Sherman.

which may be a computer program. This attached computer program could contain a computer virus which could cause harm to EPA's computers, network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced into the EPA network. EPA is deleting all computer program attachments sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you should contact the sender and request that they rename the file name extension and resend the Email with the renamed attachment. After receiving the revised Email, containing the renamed attachment, you can rename the file extension to its correct name.

For further information, please contact the EPA Call Center at (866) 411-4EPA (4372). The TDD number is (866) 489-4900.
